Note to below Expert Class: You Yangs - Due to a dead-heat between the last 2 Elite Women, followed shortly (0.01 seconds) by the first Expert rider, there was an error induced into the system. In these circumstances we have to decide between asking the riders to repeat their run, or as we did this time allow each rider with a suspect time to automatically qualify for the final run. In other race categories, the first option would always be taken.
